These two letters are entrusted to the branch for compilation of statements asked 30/6.

3) Submitted. Sri K. Subba Rao, Special Commr and Sri K. M. Shamanna, Dist Secy have forwarded statements of immovable property held by them. Sri. K. Duraiswamier, Chief Inspector of Mines and Explosives has sent the statement in respect of the properties held by him and the subordinates under his control. The returns from the other Heads of Depts have not been received here so far. Instructions are solicited as to the action to be taken in respect of the returns received on this behalf.

4) In the meantime, the Supdt. Govt. Gardens wants to know if the register of immovable properties has to be maintained in respect of all Govt. servants irrespective of being classed as belonging to the superior service and the inferior service and raises the question of impracticability of maintaining such a register of all Govt servants under his control with the limited staff that his office is provided with. Perhaps the rules on this behalf apply only to officers in superior service. If approved, the Supdt. Govt. Gardens will be informed accordingly

2) The Statements received may be recorded for the present. The information furnished in the tabular form does not seem to afford sufficient basis for enquiry otherwise. Was not information called for as properties held by the members of the family (eg one's wife and other close relatives) ? Unless we also know what property the official held at the time of his entry into service, we will not have sufficient data on which to proceed with an enquiry or otherwise. These aspects may be examined and a note sent up as to the general procedure that could be followed with regard to the Statements received from time to time. Is not 18th July the last date within which the Statements have to be received?

29) The Register of immovable properties in Mysore, if maintained as prescribed in Rule 23, will furnish information about immovable properties in Mysore State from all the points of view mentioned upon by the Chief Minister in Paragraph 25 of the note. But this rule appears to have fallen into disuse as is evident from the requests from various depts for clarification of the rules in question.

30) About the action to be taken on the statement received in this behalf, the following procedure is suggested. The scrutiny of the register in respect of the non-gazetted services may be left to the Heads of Depts who may be requested to report the cases which require notice of Govt, and the extracts from the register in respect of all gazetted officers being submitted to Govt. The information about the junior officers in the Gazetted services may be scrutinised by the related Administrative Secrett who will submit to Govt. all cases which deserve notice, for an enquiry by the Director A.C & E.A or otherwise, or for any orders which the Govt deem fit. The particulars about the senior officers and the Heads of Depts may be submitted to Govt for their review and orders.

31) Though the last date for the receipt of statements from the Depts is 1st July 1950, the receipt of statements is due from many depts on date. Their receipt may be watched

3c) The question of examining the rule which for all practical purposes has become a dead letter and revising it if necessary and laying down a set of clear rules and forms for the future has been referred to the Medical Branch (Gen. Miscellaneous Section)

3d) The rule which is part of the Govt. Servants' Conduct Rules appears to be commonly followed in all the States. If approved, the procedure adopted by the Madras Govt. in dealing with the statements of immovable property furnished by Govt. Servants may be ascertained.

3e) ~~The procedure that is obtained in Madras for such action in other States may be~~ Proposal in this matter will be obtained from the C.S. Branch.

3f) The matter may be dropped.

While we are at it, we might also call for a statement of liabilities, and ask for properties owned or held, outside the State also. We can get a declaration now from Govt servants as to properties held at the time of entry, & can check up on it next. Even after all these, the matter will not be complete as it will not take note of cash, stocks & other assets &c.

Sir,

With reference to your letter No.1670-1750/C.B.64-50-1 dated 9th May 1950 requesting to forward the extracts from the register showing the immoveable properties held by me and ~~n~~ by my subordinates for the year 1948-49 I write to state that no such register was hitherto being maintained in this office.

According to Rule 22 of the Manual of General Circulars and Standing Orders Part I. every Government servant must make a declaration of all immoveable properties held by him in Mysore from time to time. If this is so there are nearly 700 employees in this department and to maintain registers of all the properties held by them is a very onerous work for the existing staff to cope up and as such requires a separate whole-time clerk to attend to this work. I therefore request you kindly to intimate whether the required particulars have to be furnished in the case of all the gardeners including inferior staff as well or to limit it to only to the subordinates in superior service.
